Captain Cook Primary School, Stokesley Road,  
Marton, Middlesbrough. TS7 8DU

8<sup>th</sup> November 2024

Dear Parent/Carer

At Captain Cook Primary School, we continuously seek to support all our children in the very best way that we can. We appreciate that our children have a diverse range of needs, and are fortunate in having staff with a wealth of experience and expertise in supporting children with SEND (Special Educational Needs and Disabilities) in a wide variety of ways dependent on those needs.

We would like to invite any parents who want to find out more about SEND in our school to a Parents' Information evening to be held on Wednesday 13<sup>th</sup> November at 5pm in Upper School Hall.

This session will provide information about the different types of SEND, our Captain Cook Primary School approaches to supporting children with additional needs, and the processes and systems surrounding children with SEND in Middlesbrough. In addition, there will be an opportunity to speak to members of our SEND and SLT teams in order to gain further advice and support.

**This session is open to parents or carers of any children in school, whether they are already accessing SEND support, they have concerns around SEND or they simply want to know more about the SEND process.**

Kind regards

Miss C Martin  
SENDCo
